

### Certificate

This to Certified that in order to fulfill the partial requirement of B.A 6th semester in Lalgola College. Jesmin Khatun has completed the research work "A study of academic achievement of secondary School Student in relation their test anxiety " under my supervision. The research paper was not previous formed for any other degree, diploma or any other honor as much as I know it was his own work. The researcher will fully responsible for this research paper, if it is copy of others research work or has the exact or large part others research work.

I approved this piece of research work to be presented to the College .
