9. The internal assessment is to be healthy and extensive in providing a fair estimate of learner's ability and attainment supporting their progress efficiently.
10. Consistency, validity and reliability in results of internal assessment must be ensured.
11. The internal assessment to precede and conclude before the commencement of university examinations leading to adequate preparation and practice for university level.
12. Face to face interaction of learners with the faculty or handing over the evaluated answer sheets to the learners to be done for identifying their mistakes, errors or weaknesses. This may be generally done or must be done if demanded.
13. To ensure parity of performance, supplementary tests/class tests/surprise tests/modular assignments to be conducted as per the feasibility.

## POLICY DOCUMENTS

14. Wherever possible tutorials, seminars and assignments are to be allotted to learners for ensuring their active participation in the learning process.
15. In addition to the above modalities, work-based assessment; formative and summative assessments are to be evaluated with care and precision.
16. The internal assessment mechanism is to be periodically reviewed for its easy interpretation of learners and assessors.

### Policy on Study Tours

Study tours are an excellent source of enhancing experiential learning of students. The following procedures are adopted by the college in organizing study tour programs and guidance to faculty and students.

1. The government rules, directives and policies in matters of study tours must be given highest precedence ensuring that they are scrupulously followed.
2. Before organizing study tours, the purpose and specific educational objectives of the proposed study tour must be identified for development.
3. During the study tour, the tour participants must be compulsorily oriented to help them achieve appropriate personal, social, and academic development.
4. In the case of study tour, we always give importance to the opinions of students. Also we conduct study tour with the opinion of every parent/guardian.
5. Before embarking on the study tours, the necessary arrangements (such as transportation, accommodation, food, finances etc.) and other support services should be well planned and brought to the information of college authorities. Only after it is effectively done, the green signal for proceeding on the study tour is to be given.

# Quality

Reaching the highest quality standards of the higher education sector is the sole motto of the college in its prevailing circumstances.

1. Adequate opportunities to be provided to all the learners in recognizing their potential and leveraging it to achieve uppermost standards in their respective programs.
2. The learners to be assured about their safety in the college campus by clear communication.
3. There must be no discrimination on the basis of religion, caste, creed, race, nationality, language or region and treatment of all in the campus has to be fair and equal.
4. The dissemination of knowledge, skills and expertise in all programs is to be critically designed to ensure that the learners are casted into good citizens with principled attitude.
5. The process of quality assurance, enhancement systems and procedures must be perpetual and binding on all stake holders. It has to rigorously evaluate strengths and weaknesses to explore and implement counter measures for improvement.
6. The quality system to target enhancement in standards of learning, teaching and assessment by the ways of monitoring, reviewing and developmental measures.
7. Sufficient care to be taken in ensuring that the academic standards in the college are at par with the requirements of higher education sector and quality of learning opportunities provided under various programs is gradually enhanced.
8. Teachers to be encouraged for perpetually upgrading their teaching and learning methods preferably by using the latest ICT tools available.

8. The essential infrastructure at support for the research work would be provided by the college and the research facilities will be augmented in the departments whenever and wherever possible.
9. The allocation of financial and other support for research will be based on objective, transparent, merit based decision-making system.
10. The faculty research outcome has to be reflected by incorporating it into teaching process so as to benefit student learning and outcomes.

## POLICY DOCUMENTS

11. Faculty are to be encouraged for carrying out quality research and to publish their findings in reputed journals and file patents wherever possible.
12. The college encourages the faculty members to take up research projects by extending all possible support.
13. With the motto of benefitting the society from the expertise available in the college, the college encourages to conduct of outreach programs and non-financial consultancy services offer to the industry, Government and Non-Government Organizations.
14. The research monitoring cell of the college has to ensure that the expertise available in the departments is open to the public.
15. Establishment of research collaborations and linkages with other Institutions is highly encouraged by the college.
16. Faculty/Student exchanges between institutions for research are highly encouraged to enrich them with quality, national and international exposure.
17. Memorandum of Understanding (MOUs) and collaboration with institutions, industries and organizations is to be made for facilitation of faculty and students to undertake research projects and internships in collaboration with them.

## Physical Facilities - Utilization and Maintenance

The college infrastructure being the backbone of an institution serves a vital support to the range of activities that are executed in it. Due to this pivotal role of the infrastructure, the college is committed to create new infrastructure whenever and wherever possible, enhance/renovate/maintain the existing one in the best interest of the college lending a constructive support to everything that happens here.

1. To ensure optimum utilization of the resources, the college infrastructure, including labs has to be used for academic and research activities by the faculty and students thereby contributing in the nation building effort.
2. The college has a volleyball court, badminton court, fitness center (gymnasium) for the use of staff, students for maintaining their physical fitness and training for competitive events.
3. The college may serve as venue for the conduct of local and national level examinations such as NET/SET, railways, bank recruitment drives, state government directorates etc.
4. The college also serves as an Examination center for the Annual and End-semester Examinations of the affiliated University.
5. To ensure proper maintenance of the college infrastructure, the services of electricians, mechanics, plumbers and gardeners are to be made available in the college campus compulsorily during the office hours and quick response in case of emergencies during odd hours.
6. Few of the college non-teaching staff members are identified and trained to provide such professional services in addition to their routine work.
7. For the maintenance of advanced or expensive hardware, the services of reputed and reliable vendors subscribed by signing an Annual Maintenance Contract (AMC).
8. The funds obtained from the state/central government bodies, UGC, and the college management for the up gradation, maintenance and upkeep of infrastructure and support facilities are to be utilized for the same purpose only. Enough care to be taken that these funds are utilized during their allotted time frame.
9. The college is committed to share its infrastructural facilities for events such as blood donation camp, relief and e-waste collection, vaccination centers etc. which are exclusively for the betterment of the society.

## Extension Activities

To sensitization the students about social issues, and to imbibe a sense of social responsibility for their holistic personality development, the extension activities play a pivotal role. Hence the college must consider these extension activities in high regard by a centralized approach towards them.

1. All the extension activities conducted by the College through NSS, committees, departments etc., are to be critically designed for contributing towards bringing about social change and community upliftment, finally leading to holistic development of students.
2. The departments are encouraged to undertake extension activities either independently or jointly with other entities in collaboration with government or non-government organizations in all possible domains including need-based training programs and consultancy.
3. Enrichment areas may include social justice group, mock parliament session, debating, public speaking, and entrepreneurship development etc.
4. Achievement of hands-on experience in specific areas by the college students may be targeted by the extension and outreach activities.

## Students Activities

The college is committed to molding of its students into ideal citizens with integrity, human values and intellect during their course of study/association. To realize this, the college should take special care and attention during their academic career for ensuring their holistic development and constructive contribution in the nation building.

1. The rights and duties of the students and their support in achieving the institutional goals and objectives must be ensured.
2. Clear, comprehensive and accurate information of all the programs, courses being conducted in the college along with their entry requirements is provided to all those interested, without any filtration or hiding.

Any stake holder who feels that he/she is subjected to any kind of harassment due to his/her sex/gender or is witness to any such violation, then the same must be immediately reported to the principal who is ex-officio head of the anti-harassment committee or anyone in hierarchy who is deemed to be reported.

## Faculty empowerment

The college teaching faculty has to play a greater role in the planning, decision-making and implementation of college policies. They are to be offered greater autonomy, confidence and freedom in making decisions making the system democratic in nature. This will empower them to work comfortably with all their colleagues and be responsible to their assigned duties without any follow up or supervision. The confidence acquired by the teachers in such a setup will help provide varied learning experiences to the students with ease and happiness. The empowerment of the faculty is to be achieved through:

1. The process of planning and decision-making to involve the faculty members.
2. Timely dissemination of information through regular meetings, official communications etc.
3. Apprising of latest updates in the policies and demands in the higher education sector to be achieved through seminars and group discussion sessions. In the light of these, sessions on the plans, mission and goals of the college are also to be included.
4. The college work environment has to be conducive and competent to provide self-fulfillment, satisfaction and promoting the inner drive.
5. To ensure reliable performances of routine works, feedback from the faculty may be taken whenever and wherever possible.
7. Teachers to be encouraged for perpetually upgrading their teaching and learning methods preferably by using the latest ICT tools available.
8. The infrastructural facilities being the skeletal of the college, adequate care is to be taken in propping up timely addition, renovation and maintenance.

The college is committed to adopt, implement and practice e-governance in order to provide a simpler, robust and efficient system of governance. Extensive use of E-governance has to be incorporated into every sphere of college functioning. It is to be implemented at various levels to provide efficient system of governance within the institution leading to paperless administration at its best.

1. The college subscribes to e-governance in administrative matters, finance and accounts, library and examination related processes.
2. The college staff including administration, faculty, support staff and students to be electronically connected for instant disposal and receipt of messages, notices etc. This can be achieved by using popular workspace application (G-suite), messaging applications (WhatsApp, Telegram) and cloud-based video communication applications (Zoom, G-meet) etc.
3. The website of the college is to be full-fledged and functional. It serves as the focal point of e-governance initiatives. If due to any technical reason, if it becomes non-functional then all out efforts to be made to restore its functionality. The home page of the college website is. [www.lalgolacollege.ac.in](http://www.lalgolacollege.ac.in)
4. The college admission process to be carried out from the college website in a user-friendly manner. Proper notices, alerts, links for other procedures such as online fee payment is to be provided on the college website. Separate login for students, teachers and alumni to be available. Students to be able to operate through laptops and mobile phones too.
5. The college finance and accounts are to be maintained with help of the software named e-Sundaram and the Tally software wherever possible.
6. The college library is computerized with catalog searching of books made available on KOHA (cloud server is also available).
7. The college website has incorporated library related data with links to access E-learning facilities such as N- List, e-journals, e-books and periodicals.
8. A library advisory committee is constituted for the purpose of arbitrating library related issues and forwarding their recommendations/suggestions to the IQAC and Principal.
9. Training sessions for use of digitized library and e-learning resources to be provided to staff and the students.
10. The college website has to also provide facilities to alumni like alumni registration, information/notices of college activities, details of a few selected alumni, feedback and many other related issues.

## POLICY DOCUMENTS

11. The college examination process is automated by system using software along with the exclusive examination portal provided by the affiliating university which ensures absolute confidentiality in hierarchical delegation of work, data entry and processing with ease.
12. In examination related matters, an exam is constituted to supervise and conduct the examination process under the guidance of Principal.

Technical team (website maintenance committee) headed by system administrator is to be appointed to handle the technical issues related to digital online operations of the college.

## Consultancy and Collaboration

In addition to the traditional teaching and learning process, the college has to promote the faculty in research, consultancy, extension, outreach and development of entrepreneurship cell to support student startups.

1. The college encourages the faculty members to take up research projects by extending all possible support and to file for patents.
2. With the motto of benefitting the society from the expertise available in the college, the college encourages conduct of outreach programs and consultancy services offer to the industry, Government and Non-Government Organizations.
3. Visit to others Institutions and establishment of collaborations and linkages with them is highly encouraged by the college.
4. Faculty exchanges between institutions for research, teaching and learning is highly encouraged to enrich them with quality, national and international exposure.
5. The college to take all efforts to provide internships and on-the-job training to students in reputed industries and organizations. This is to enable them to achieve competencies for jobs/career requirements and to successfully face the global challenges.

## Code of Ethics

The college human values and professional ethics policy focuses on providing quality education to all students in the classroom without any kind of favoritism, discrimination, treating them equally with love, care and affection with a commitment to inculcate good values in them.

1. Exceptional concern to students must be shown by all teachers by motivating them wherever possible, to be acknowledged as role models by the students.
2. Absolute fairness in assigning marks/grades is to be exercised by the teachers during their internal and external assessments.
3. The rights and dignity of the students in expressing his/her opinion must be respected by all teachers.
4. The student community has varying levels of aptitude and capabilities with each student different from every other student. The teachers must recognize these differences and try to meet the needs and aspirations at individual level to the extent of possibility.
5. Human values and ethics play a distinctive role in molding the psyche of a student. These need to be touched upon by the teacher by means of presenting the importance of values by linking it to the subject being taught, at any stage of student interactions whether classroom teaching or practical sessions. This will have higher acceptability than dedicated sessions for the same.
6. Blood donation camps, visits to hospitals very effectively inculcate the spirit of generosity and sacrifice towards fellow humans. Hence such events to be highly encouraged.
7. The college is committed to providing Divyangjan or differently abled students, equal opportunities for accessing all the facilities available in the campus as per the mandate under Rights for Persons, with Disabilities (RPWD) Act, 2016 and "Sugamya Bharat Abhiyan" of the Government.
8. Convenient locations of classrooms and examination rooms for the differently abled students are to be allotted.
9. Additional time during examinations along with service of scribes is to be provided for physically challenged students as per the Government rules and affiliating University.
10. For easy access to college buildings, ramps are provided for convenience.
11. A special toilet with additional fixtures is provided for the use of disabled students.

## Performance Appraisal

Review of staff performance and evaluation of their skills and achievements, is achieved by the annual performance appraisal.

1. The performance appraisal implemented in the college is as per the applicable UGC guidelines, Government of West Bengal regulations as well as directives of the affiliating university in this regard every year. It is applicable to faculty and non-teaching staff.
2. The demands from the vision and mission of the college are also considered in addition to UGC regulations in the performance appraisal.
3. The performance appraisal is done confidentially once every year. The appraisal of teaching staff will be carried out by the respective H.O.Ds who will forward the documentations to the Principal. At each stage, the appraisal will be scrutinized and remarks of the HODs and Principal through IQAC will be made.
4. The appraisal of all the HODs will be conducted by the Principal.
5. The performance appraisal of non-teaching and administrative staff is conducted by the college Registrar who finally forwards it to the Principal.
6. The performance appraisal data is analyzed quantifiably on the basis of documents submitted and feedbacks by IQAC.
7. After the analysis, the supervising authority scripts its remarks identifying the exceptional/significant/satisfactory/unsatisfactory progress whatever the case may be, and finally mentions the appreciation and/or areas of focus/attention for the individual.
8. The findings and remarks of the supervising authority are communicated to the concerned without delay.
9. For Annual Performance Index (API) evaluation of teachers, their API forms are verified and scrutinized by the IQAC and forwarded to the Principal. Finally it is forwarded to the affiliating university for final evaluation and certification.
10. Teachers who are due for promotion under Career Advancement Scheme (CAS), their Appraisals, API evaluation certificate along with other documents are submitted to the IQAC which verifies and scrutinizes them before sending them to the Principal. The Principal forwards the proposal to the competent authority which is designated by the university the same.

## Gender Policy

As per the principle of gender equality which is enshrined in the Indian Constitution granting equality to women, and empowering the state to adopt measures of positive discrimination in women, the college is committed to be sensitive in the issues of gender. The college gender policy is framed as a commitment towards this objective in conformity with the Supreme Court guidelines in this matter.

1. The college strives to guarantee the rights and safety of all women in the college premises including students, faculty, support staff, administration, stake holders and visitors.
2. The gender sensitization initiatives are to be applicable to all sections of the community - students, faculty in all disciplines, support staff and administration and not limited exclusively to students only.
3. The intrinsic ingredients of the college gender policy would be equality, dignity and the ability to live, work and study without fear of harassment. It has to be written and approved to guarantee the rights and safety of women employed in the institution.
4. The inequity in the staff pattern in the college to be addressed by giving more chance to female employees to get associated with the cause of the organization.
5. The college implements effective measures for the safety and security of all gender.
6. An accessible, active and unbiased grievance redressal cell to function in the college.
7. The college shall provide equal opportunity for all genders without any kind of discrimination.
8. The presence of women in all sections namely faculty, support staff etc. is ensured imparting a feeling of security and confidence in the girls students.
